

THE GREAT LOGAN COUNTY ROAD CLEANUP !!

JOIN IN , GET INVOLVED!
APRIL & MAY, 2008

The Logan County Solid Waste Management District is sponsoring and supporting a two month, county wide litter cleanup of Logan County and Township roads and parks.

- Gather a team of at least four persons, more is better, from your family, work place, church, social clubs, or neighbors; (teams of 12 work best)
- Register your team using the form below, or go online to register;
- Choose a two mile stretch of roadway to pick-up, or ask us to assign a section of road;
- Pick a date your team wants to work, and go to work.

The Solid Waste District will provide yellow trash bags, gloves, litter grabbers, high visibility vests, an information packet, and will pick up, sort, and dispose of, or recycle the trash your team collects.

Each team completing its assignment will automatically be registered for fun prizes.
To register or ask questions call Mark Evans, Event Coordinator, at 599-1253
